Author:

"Sexy After Breast Cancer: A Guide to Making Lifestyle Changes for Healing"

About Jocelyn Binder.

Jocelyn Binder is an unstoppable model & influencer hailing from Los Angeles California Author of "Sexy After Breast Cancer: A Guide to Making Lifestyle Changes for Healing," Ms. Binder invites others to not only be a breast cancer survivor but to be a breast cancer thriver. The two-time breast cancer survivor invites readers to trace her journey from diagnosis to taking control of her health and to being completely cancer-free.

Writer Jocelyn Binder has one mission for this book--to inspire and empower women to take control of their health and their relationships not only their cancer but to themselves. As Binder states, "If only one woman heals after applying my book's concepts to make changes in her life, it will be a huge success to me."
