**Author:** "Returning Home: A Sailor's Journey"

### *About Paul*

*Raised in south Philadelphia, Paul is a husband and Nonno to 6 amazing grandchildren. His passion for serving God and Humanity has led him to an eventful life of continual success in business and entrepreneurship, with struggles and wins that are invaluable resources for his clients in the Delaware Valley, across the United States, and beyond. As President of the APCC (American Public Communications Council), he led and participated in the deregulation of the telecommunications industry. As co-founder of the HR Chapter of the International Coach Federation, he encouraged the pioneering of another industry, Coaching for Professional & Personal Mastery.*
